In more extreme cases

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Procedures

1. Report bullying incidents to your Club Welfare Officer or a member of the committee
2. In cases of serious bullying, the incidents should be referred to the BCU for advice or contact one of the organisations listed below.
3. Parents should be informed and will be asked to come in to a meeting to discuss the problem
4. If necessary and appropriate, police will be consulted
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly
6. An attempt will be made to help the bully (bullies) change their behaviour

Recommended Action

If the club decides it is appropriate for them to deal with the situation they should follow the procedure outlined below:

1. Reconciliation by getting the parties together. It may be that a genuine apology solves the problem.
2. If this fails or is not appropriate, a panel should meet with the parents/ carers and child alleging bullying to obtain exact details of the allegation. The panel should comprise of the Club Chair, the Club Welfare Officer (CWO) and one other committee member. Minutes should be taken for clarity; these must be agreed and signed as a true account.

ANTI-BULLYING POLICY

3. The same panel should meet with the alleged bully and their parents/ carers to put the allegation to them. They will be asked to answer and give their account of the allegation. Minutes should be taken for clarity; these must be agreed and signed as a true account.

4. If bullying has, in the panel's view, taken place the person should be warned and put on notice of further action i.e. temporary or permanent suspension should the bullying continues. Consideration should be given as to whether a reconciliation meeting between parties is appropriate at this time.

5. In some cases the parent/ carer of the bully or victim of bullying can be asked to be present at the Club with the young person each time they attend, if appropriate.

6. The Club committee should monitor the situation for a given period to ensure the bullying is not continuing.

7. All coaches/ instructors and volunteers involved with both parties should be made aware of the concerns and sanctions.

In the case of adults alleged to be bullying:

- The Club Welfare Officer (CWO) will follow the BCU Child Protection Policies and Procedures.
- The BCU should always be informed and will provide advice on action to be taken.
- The BCU will treat the allegation as a Child Protection concern.

Prevention

- The Club will adopt the BCU Child Protection Policy and Procedures. This includes codes of conduct for all members and an anti-bullying policy
- All members will sign to accept the Club/ Centre Child Protection Policy upon joining the club.
- The Club Welfare Officer will raise awareness of bullying within the Club. If issues of bullying arise then they will consider meeting with the paddlers to discuss the issue openly and constructively.
