Circuit from the Glasgow University Rowing Club

Suitable for novices in most weather conditions

Short – 2 Circuits, 6 Miles

Circuit from the Glasgow University Rowing Club

Long – 3 Circuits, 9 Miles

Circuit from the Glasgow University Rowing Club

SAFETY : All competitors in Divisions 7, 8 & 9 and those under 16 years of age must wear buoyancy aids. They are discretionary for all other paddlers although ***all*** paddlers are advised to wear them and dependant on water and weather conditions the organizer may insist on all paddlers wearing approved buoyancy aids.

All boats used in marathon racing must be fitted with sufficient buoyancy to support the boat and crew in the event of a capsize. Inherent buoyancy in composite boats is not sufficient to meet this requirement. Additional foam buoyancy or air bags must be fitted.

Organised safety cover will be provided for mini and lightning courses.
