

# Winter Time Trials 2016/17

## LINLITHGOW

# 15<sup>th</sup> Jan 2017 Change of Location!!

Due to Scottish Canals Maintenance Works the canal has been de-watered through Linlithgow – they have pulled the plug out ;-)

Registration, the Start & Finish have been relocated to Park Farm, Bridge 41, to the East of Linlithgow by the Park Bistro

<http://streetmap.co.uk/map.srf?X=302932&Y=677002&A=Y&Z=115>

The time trial will be run to the East with the turn buoy located at Fawnsark winding hole, just east of Bridge 38 (on the B8046). This will make the total distance around 6.4km (a little shorter than the normal 7km).

There will be a lightning course which will be around the usual 4km.

Parking is available on both side of the canal and we request that you do not use the car park for the Park Bistro.

All of the other arrangements will remain the same.

Registration 12:30 with the start times from 13:00  
with the handicap ensuring we are all finished around 14:00.

Entry: £3.00 & non-SCA members will also require a SCA day membership for £5.
