

Directions to Willowgate Activity Centre

Access is from the junction between the A90 and the M90 at the north end of the Friarton Bridge over the River Tay.

At the junction, follow the A90 towards Perth and after leaving the slip-road for the M90 take the **second** turning on the left, which is signposted for **Willowgate Fishery** and has signs for **Activity Centre and Fisheries** and **Riverside Cafe** at the road end. There will also be a **Canoe Race** sign posted at the road end. The turning is before the A90 passes under the M90 and the A90 at this point is a one way road, but if you miss it you can go round the junction again.

Follow this road for approximately 100m and then cross the railway line taking care on the narrow bridge. Then turn left and follow the access road towards the centre and park carefully, following instructions from marshals as required.
