

Low Port has a limited number of parking space and we are requesting that paddlers drop of their boats and then move their cars to an alternative car park.

Alternative Car Parking Locations

- 1- Long stay car park adjacent to Tesco's car park – Turn LEFT before you enter Tesco's car park and follow route around the short stay car park (Orange Arrows) – careful not park in short stay area which only allows 2 hours.
- 2- Cricket / Sports club car park – Turn right out of Low Port, take first exit from round about, through lights under bridge – follow Edinburgh Road to right hand bend and take left, sign posted to car park, under railway turn left into car park. Walk back to low port via the public foot path a distance of about 800m passed Tesco. (Pink Arrows).
