

Winter Time Trials 2016/17

LINLITHGOW

12th Feb 2017 Change of Location!!

Due to Scottish Canals Maintenance Works the canal has been de-watered through Linlithgow – they have pulled the plug out ;-)

Registration, the Start & Finish have been relocated to Park Farm, Bridge 41, to the East of Linlithgow by the Park Bistro

<http://streetmap.co.uk/map.srf?X=302932&Y=677002&A=Y&Z=115>

The time trial will be run to the East with the turn buoy located at Fawnsark winding hole, just east of Bridge 38 (on the B8046). This will make the total distance around 6.4km (a little shorter than the normal 7km).

There will be a lightning course which will be around the usual 4km.

Parking is available on both side of the canal and we request that you do not use the car park for the Park Bistro.

All of the other arrangements will remain the same.

Registration 12:30 with the start times from 13:00
with the handicap ensuring we are all finished around 14:00.

Entry: £3.00 & non-SCA members will also require a SCA day membership for £5.

Keep tabs on how your winter training is progressing!

These time trials take place on the Union Canal in Linlithgow at the Canal Centre, Manse Road Basin. Starts are all handicapped with the slowest paddlers starting first. Start times are from 1pm (12 Noon in December) and if handicaps are correct the finish time of all paddlers should be around 2pm. Handicaps are recalculated after each time trial which should ensure interesting paddling and close finishes.

Boats paddle westwards to the winding hole just beyond the bridge after the Sea Scouts building at Woodcockdale, turning anticlockwise around a buoy and returning to Manse Road Basin.

Lightning paddlers also paddle westwards but only to the basin just beyond the 2km mark passed the golf course, turning anticlockwise (a marker board will be located at the side of the canal) and returning to Manse Road Basin. Registration is at Manse Road Basin, Linlithgow from 12.30 onwards (11:30 in December) and registration must be completed before 1pm (12 Noon in December).

(you can pre-register by contacting me by e-mail before-hand and I should also be able to advise you of your start time).

Entry: £3.00 & non-SCA members will also require a SCA day membership for £5.

Important: The canal does freeze from time to time. Please check the SCA website which will have up-to-date information on whether the time trial will run or not.

Also note that in the event of poor weather conditions, novice & lightning paddlers may be excluded on safety grounds and in extreme weather the event may be cancelled.

Parking / Access arrangements etc:

There is limited parking on Strawberry Bank adjacent to Manse Road Basin & on Manse Road. There is parking available in the long stay car park adjacent to Tesco with a short walk required to get back up to the canal. However it is advisable to first drop off canoes and kayaks at the canal. Careful -Tesco's car park itself is time limited to 2 hours.

Please remember that these events take place over the winter and therefore appropriate clothing for the weather conditions is essential. Buoyancy Aids are recommended for all paddlers and mandatory for novice (U16 or Div 7, 8, 9 and Lightning paddlers). All boats used in racing must be fitted with sufficient buoyancy to support the boat and crew in the event of a capsize. Inherent buoyancy in composite boats is not sufficient to meet this requirement - additional foam buoyancy or air bags must be fitted.
