What we do

- Represent our members' interests within Scotland and, through British Canoeing, in the UK
- Support individual and affiliated club development
- Work to protect, improve and promote responsible access to water in Scotland and care of the environment
- Support the achievements of Scottish paddlers at all levels including the sportscotland funded programmes for Olympic disciplines
- Support and improve quality coaching for all forms of canoeing and kayaking
- Organise conferences, exhibitions, events, tours and competitions
- Publish information for members, on our website, in "Scottish Paddler" and in books such as Scottish White Water and the Scottish Touring Guide.
