Note 2 – Data Protection Statement:**Privacy Statement**

The Scottish Canoe Association takes your privacy seriously.

How your information will be used: When you become an SCA member, or renew your membership, we collect and store your personal data to administer your membership and for the SCA to contact you with notices relevant to your membership and/or qualifications.

Qualification Processing:

It is an expectation of Employers, Government Agencies and members of the public that the SCA, as a British Canoeing Delivery Centre, retains a permanent core record of training and qualifications taken and their outcomes linked to individuals. This allows the SCA, as a Delivery Centre, to support the candidate's right to lifelong learning and to meet legislative requirements, such as confirming the validity of qualifications.

We will administer your qualification and training on your or your child's behalf. We will only use personal data relevant for administering the qualification or training with the course provider and the British Canoeing Awarding Body.

Sharing data with the British Canoeing Awarding Body:

For Coaching Qualifications, we share your details with the British Canoeing Awarding Body in order to process your qualifications and claim certification.

Communications: Occasionally we may want to send you communications not directly associated with your membership, qualifications or training. If you wish to receive such communications, please log in to your member account and review and update your communication options.

Further information:

If you have any questions about data privacy please contact: SCA, Caledonia House, 1 Redheughs Rigg, Edinburgh, EH12 9DQ office@canoescotland.org.
