SAFETY : All competitors in Divisions 7, 8 & 9 and those under 16 years of age must wear buoyancy aids. They are discretionary for all other paddlers although **all** paddlers are advised to wear them and dependant on water and weather conditions the organizer may insist on all paddlers wearing approved buoyancy aids.

All boats used in marathon racing must be fitted with sufficient buoyancy to support the boat and crew in the event of a capsize. Inherent buoyancy in composite boats is not sufficient to meet this requirement. Additional foam buoyancy or air bags must be fitted.

The loch may be in use by other water users. Paddlers must take care and be respectful of other users. Detailed advice will be provided in the briefing.

Photographs may be taken at this race, and any others during the season, to be used for promotional purposes. If you do not wish any picture including your image to be used in this way then please advise the race organiser or the SCA Sprint Committee Safeguarding Officer (Jacqui Brockway - jacquibrockway@gmail.com)
