

SCA Approved Tutor / Assessors and Assessors of Coach Award

The British Canoeing Coach Award will launch on 1st January 2018. The SCA has selected a network of over 30 tutors and assessors who will be licenced to deliver the training and assessment courses.

This provisional list is published to assist Tutor/assessors/clubs/colleges/organisations etc plan courses for 2018. All those on the list have agreed to have their contact details published and invite contact from others to discuss arranging a course.

Notes:

1. The ratios for courses are outlined in the Tutor and Assessor notes available from [SCA website](#). All courses can be delivered with one Tutor/Assessor, or with more than one if there are a higher number candidates. Check the ratios for more information.
2. Following orientation events in October and December 2017, aspirant Tutor /assessors (roles noted with '3') will have some additional steps to complete before being able to work on their own. However, during this time they can second staff relevant training courses.
3. Course authorisation must be obtained from SCA in the normal way at least 2 weeks in advance of any course.
